MOCA & MEVO

Two team members from the Mayor's
Office of Cultural Affairs, Monique Mogilka
and Theresa Escobedo, took on the
MEVO live streaming and recording
certification class with HTV this month.
After a few more classes they will be
Certified HTV MEVO Specialists allowing

for the rental of the MEVO to stream everything from interviews, to panels, and events. [Click here](#) for more information about the MEVO, and [contact us](#) for information about HTV certification courses.

Log on to the [Talent Management System](#) to sign up for HTV Virtual courses. For the Mobile Phone class make sure you have plenty of space on your phone to record video and take photos. See our upcoming intermediate to advanced level courses starting in July 2020.

HTV Interns!

Hire Houston Youth interns are back this summer at HTV. Their internships began on Monday, June 22, and already they've met Mayor Sylvester Turner and his staff. They'll be working on content for HTV's social media channels. More to come from this awesome group!

SAY YES! TO THE CENSUS!

Click the photos to the right to see all the Census Public Service Announcements created by the Houston Planning Department and HTV!

[Watch the Planning Department Census Program.](#)

Increase your department's footprint by integrating HTV into your marketing strategy!

See your Government In Action on Apple TV, Roku, FireTV, and Smart TV apps and browsers!

RENT GEAR FOR STREAMING & PHOTOGRAPHY

Rent a MEVO from HTV! Stream and record your own events and meetings to social media or your city website! [Contact us](#) to have one of your staff certified! (Note: Not for personal use.)

City departments can now rent high quality DSLR cameras for staff photos, video campaigns, and other documentation. [Send an email](#) to have your chosen staff person certified! (Note: Not for personal use.)

FYI: City Departments can download council meetings, and other government programming, directly [from this link](#) to their desktop.
